## Nurse volunteers training to perform Ultrasound scans

Reach Out Pregnancy Center was again the recipient of a grant from the Archdiocese of Cincinnati and the funds received are being used in March to train two of our nurse volunteers to perform limited OB Ultrasound scans.

This will expand the number of scans we can perform each month and, most importantly, save lives that might otherwise be lost to abortions.

Please be praying for the training, our nurse volunteers and our clients!

## Memorial gifts celebrate life in so many ways

At Reach Out, we celebrate Life every day. Whether it is the discovery through a pregnancy test or ultrasound scan that a young woman is carrying a new life, the news that a family of two just became a family of three, or the successful completion of a parenting class, we cheer for the Life that God provides.

We also celebrate the lives of those who have passed on and are now with our Father in Heaven. Often, family members and friends choose to celebrate and remember that individual through financial gifts to our center. For that, we are forever grateful.

Another way we celebrate is through gifts in honor of individuals in our lives. Perhaps they have recently graduated school, married or given birth to a grandchild. For whatever the reasons, we are so thankful for those generous contributions to the life-saving work of Reach Out.

Here are some of the gifts we have received since October 2019.

## Change for Life Baby Bottles help fund new parenting classes

A big thank you goes to those individuals, churches and organizations who already have filled up baby bottles as part of our year-round Change for Life Baby Bottle Campaign. It's a simple way to raise funds for our center and the money raised since October has helped us purchase Ultrasound supplies and new Parenting curriculum.

Participating groups have included: DWA Recreation, Harrison Avenue Baptist Church, Harrison High School Fellowship of Christian Athletes, Legacy Christian Church, and St. John the Baptist Catholic Church Young Adults.

If you or a group you are connected to would like to put your spare change (or cash and checks!) to good use, we can provide you with baby bottles to collect it. Let us know when you would like to get started ([diane@reachoutpregnancy.com](mailto:diane@reachoutpregnancy.com) or 513/367-7710).

### Guest Speaker - LaMorris Crawford

Born on the south side of Chicago, LaMorris Crawford was only 10 months old when his mother was shot to death at the young age of 17. Growing up without parents, in poverty and violence, LaMorris found his own way of survival through gangs, drugs, popularity and basketball.

Although he was a popular athlete, this attention could not fill the void in his life. When LaMorris was 19 years old, he had an encounter with Jesus Christ that changed him forever. Christ completely changed the course of his life. The first in his family to attend college, LaMorris earned both an undergraduate and graduate degree.

Today, LaMorris and his wife Megan have four beautiful children, and they serve as the team chaplains to the Cincinnati Bengals. He has a passion for preaching -- communicating clearly and effectively the Word of God by sharing with others how God also can do incredible work in their lives.
