Tonight's BOLD Fundraising Goal: \$150,000!

About Abby Johnson:

Abby Johnson went to work for Planned Parenthood believing she would be helping women. After working her way up from volunteer to director of one of their facilities, and even winning Planned Parenthood's employee of the year award, Abby had a surprising change of heart after witnessing a live ultrasound guided abortion procedure. It became clear in that moment that abortion did not provide the freedom she had promised so many women in those counseling rooms. Abortion only caused harm, destruction and devastation. Upon that realization, Abby left her job in the abortion industry and has been sharing her experiences ever since.

Her story was chronicled in a best-selling book, titled *Unplanned*, which was later turned into a major motion picture with the same name. She has gone on to write several other books, including *The Walls Are Still Talking* and *Fierce Mercy*.

She is the CEO of two successful prolife non-profits and hosts her own podcast, *Politely Rude*. One of Abby's ministries, *And Then There Were None*, has helped almost 700 abortion workers leave the abortion industry and come into a saving relationship with Jesus Christ.

Abby's greatest blessing is her vocation of wife and mother. She lives in Texas with her husband and 8 beautiful children.

A Message From Board Chair, Jeff Ruschke

Dear Partners in Ministry,

It is a blessing to be with you here tonight to celebrate the ministry of Reach Out Pregnancy Center. The staff, volunteers, and board members of Reach Out are grateful that you have chosen to spend an evening with us. As Jesus embarked on his ministry, he boldly preached God's Word. That is where we get the theme for this year's banquet, *Be Bold*. The idea that we boldly proclaim support for all stages of life, but especially the life of the unborn, the newborn, the mothers, and the fathers. Your generous support allows us to carry out this mission in a warm and welcoming environment at our home in downtown Harrison. Your donations of time, talent, and financial support allow us to provide pregnancy and ultrasound testing, as well as prenatal and parenting classes and material supplies such as diapers, formula, clothing, car seats, and more. We have expanded our Dads for Life Program this year to encourage new dads to be involved in their child's life in a positive way. As chair of Reach Out's Board of Directors, I am thankful to be part of this life-saving organization. Many of you join us every year, some of you are here for the first time, and we thank you for heeding God's call to be here with us. We have many plans for the future of Reach Out, and look forward to the hard work of executing those plans. May God bless you for all you do for the most vulnerable and precious of God's children, the unborn.

Reach Out Verse of the Year

1 Peter 1: 3 – 5

Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, and into an inheritance that can never perish, spoil or fade. This inheritance is kept in heaven for you, who through faith are shielded by God's power until the coming of the salvation that is ready to be revealed in the last time.
